

For, Since, Already, Yet, and Still

Already

We have already sent the invoice to the client.

Yet

I haven't responded to her email yet.

Still

My boss still hasn't answered my questions.

Since

We have been working on this project since January.

For

I have been taking the train to work for the last six months.

Already: for actions that were completed in the past.

Yet : for actions that have not been completed up to now.

Still : for actions we expected to be completed before now (but weren't).

Since: used to say when an action began in the past

For: used to say how long an action has been happening

Practice assignment:

Write about your work.

- Describe what you already have done at work and what you haven't done yet. How long have you been working on these tasks?
