

Placing Orders

We already have a lot of paper. We don't need to order more.

There's only a little bit of coffee left. Can you put it on the order list?

We don't have enough paint to finish the project. I'll add it to the next order.

Please don't order more cleaning supplies. We already have too many.

How much?

Use this question with uncountable nouns like money, paper, coffee, water, paint, food, etc.

How much coffee do we need to order?

How many?

Use this question with countable nouns like desks, computers, plants, pens, notebooks, etc.

How many notebooks do we have?

Quantifiers

For uncountable nouns:

Not enough
A little bit of
Some
More
A lot of
So much
Too much

For countable nouns:

A couple of
A few
Some
More
Many
Several
A lot of
Too many

Large Numbers

8,740

16,291

57,820

396,000

870,546

2,483,209

30,361,187

91,472,912

Practice assignment:

- Think about the items your office typically orders. Write 5 questions using how much/how many about those items.
- Thinking about the items you use for your work, say how many/how much you have of them. Use quantifiers.
- Say the large numbers aloud. Use the 'Quantifiers & Large Numbers' worksheet to help you.
